Data and Information Management Lab 1

Stud No	Coding	Report	Analysis	Background	Percentage	Comments
569700	20	16	17	18	88.75	Language flaws
719597	20	14	15	14	78.75	should include more specific information with regards to your lab results. Some formatting issue with regards to font sizes, spacings, etc.
791546	20	12	14	9	68.75	Lack background, mediocre report writing and structure
856889	19	10	8	5	52.5	results. Improve presentation of figures and tables
872327	20	15	10	5	62.5	analysis
900275	18	12	14	8	65	The code should only output useful results. Report has some grammatical errors.
1028436	20	18	15	15	85	
1034382	19	15	12	10	70	Add references to background
1037610	20	19	17	18	92.5	
1054028	14	13	10	11	60	Please include all necessary files to run your code (including given functions) and output useful results when running the code. Report needs more background.
1105149	20	13	9	5	58.75	No background, minimal analysis shown
1110574	12	14	14	8	60	Background information in the report is lacking.
1110612	18	15	15	5	66.25	background
1229215	15	18	15	15	78.75	
1234085	20	14	5	5	55	No background, minimal analysis shown
1240547	18	17	18	12	81.25	
1242308	18	14	14	15	76.25	Missing conclusion, lack critical analysis
1348871	18	15	17	17	83.75	Output some results in the console when running the code. Several grammatical flaws. Some figures are hard to read
1349318	20	17	15	8	75	No referencing to background
1352926	8	14	16	10	60	completed. Please structure code so that it can be run in its submitted form. Formatting/language issues.
1353083	20	20	18	18	95	

1353626	3	8	14	8	41.25	make sure everything can run on another computer. Significant formatting/grammatical issues.
1354558	10	18	17	5	62.5	No background shown
1355559	0	0	0	0	0	No submission.
1362074	20	20	18	19	96.25	
1370992	20	19	18	15	90	Outstanding code output! One reference at the end of a paragraph is enough to cover the entire paragraph.
1392525	6	14	9	9	47.5	Cannot find code that generates the results, no generated graphs
1407174	17	18	17	7	73.75	Please output meaningful resutls. Include all files in the correct structure so that it can be run without moving files.
1412331	14	20	15	15	80	
1413430	15	13	12	7	58.75	Output meaningful results in the console. Language/grammar problems in the report.
1421071	0	13	14	5	40	No code submission, no background
1432370	15	14	13	6	60	Only output useful results. Some errors in code and not all tasks completed. The background section should reference more than just the lecturer's notes.
1448124	17	14	15	5	63.75	Minimal background shown
1471441	3	14	12	5	42.5	Please include all files needed to run the code and use relative paths (instead of absolute) when reading files.
1507997	17	14	12	5	60	No background shown
1599953	14	18.5	18	9	74.375	background section should include some external references. Abstract should be more specific to the results contained in the report.
1600214	0	0	0	0	0	No submission
1600916	13	16	14	9	65	Needs references in background section. Code overwrites graph outputs.
1602793	18	20	15	15	85	
1604074	12	12	5	8	46.25	Some errors in code. Some figures do not plot properly. The report should include your own results.
1609138	19	16	15	13	78.75	

ID					Comments
1612664	19	17	15	7	72.5	
1613257	20	19	13	14	82.5	lack analysis and background
1615002	19	19	19	17	92.5	
1617637	18	17	15	9	73.75	lack background
1619528	10	15	12	5	52.5	Please output results. Figure output by code does not match saved figure.
1619757	18	19	17	15	86.25	
1632359	15	13	13	5	57.5	Error in code. Abstract could be longer and should include more specific details.
1656696	0	19	18	16	66.25	Cannot find main.m to run code
1693323	16	14	11	5	57.5	Output only useful results (i.e not the entire sample text).
1705890	20	18	17	16	88.75	
1712160	14	15	20	5	67.5	information.
1760935	13	18	17	16	80	Naming of file does not work
0715961G	19	14	12	14	73.75	function automatically. Some language issues.
